TUESDAY, FEBRUARY 20

R&I CLUB MEETING

Please join us for the first Researchers & Innovators Club meeting of the spring semester. Writing an abstract is a fundamental skill for a career in research. Our club president Anneka Johnson will go through the steps to writing an abstract and important information to include in an abstract for CERCA. There will also be an informal writing workshop to help get you started.

4:30 - 5:30 p.m.
CENTENNIAL ROOM (320)
DAVIES STUDENT CENTER

LEARN ABOUT RESEARCH ABSTRACT WRITING
