<tr>
<td>• entering or continuing study in the field of pre-veterinary medicine.</td>
</tr>
</tbody>
</table>

If there is not sufficient applicants from family farms, consideration will be given to students who are from a rural Wisconsin area (not specifically a farm) and meet the other criteria. A rural area is defined as a township, village, or city with a population of less than 20,000 based on the most recent Federal Census.

Academic achievement will also be considered.
